## Guest Speaker: Bill Elberty

Bill is a lifelong educator, currently working with teens who have a challenging time in school and with those accelerating into their next step of life. He is a member of the Eckankar Clergy and currently serves as Regional ECK Spiritual Aide (RESA) of Vermont.

Bill is a master storyteller and has shared his spiritual journey through stories at Eckankar events around the country. He loves listening to others as they share their spiritual journey. In every case, the gift of his spiritual service is inspired by the stories of those discovering their truth in everyday life. At the seminar, Bill will share what he has discovered through his own personal journey and stories, and perhaps inspire you to find and experience spiritual freedom for yourself.

## Youth Program

There will not be a Youth Program at this year’s seminar. You are welcome to bring your children into the Main Program. We do ask that if your child becomes unsettled, respectfully escort them into the hallway to attend to their needs.

Parents are solely responsible for the welfare, location, and behavior of their minor children (under age 18) during the entire seminar.

## Creative Arts

Throughout the seminar you will have the opportunity to be inspired by the creative expression of divine Light and Sound through music, art and writing. We invite you to enjoy live musical performances in our Main Program, view spiritually inspired art in the *Art Gallery*, and browse the many materials in our *Book Room*.
