Gain an Edge to Better Health

“To give yourself an edge to better health, get rid of all the negative elements in your life that you are aware of. And keep your focus on the good things. “As one thinks, so does he become. “Thoughts are things. They have the power to build or destroy.”

Sri Harold Klemp  
Wisdom of the Heart,  
Book 3, page 80

6/21/15  
How Singing HU Changes Us

“Singing a holy name for God as powerful as HU changes us – it doesn’t change the other person, but it changes ourselves.”

Sri Harold Klemp  
Our Spiritual Wake-up Calls,  
Mahanta Transcripts,  
Book 15, page 145

5/3/14  
How We Are Transformed by the Light and Sound of God

“The Light and Sound of God actually are Light which can be seen and Sound which can be heard.

“The Light appears in many different ways, sometimes in the dream state. It comes as a blue light, in the form of a blue candle or blue globe, as a yellow light, or as a white light. White shows the pureness of God’s love, blue shows the love of the Mahanta, the Inner Master. The different colors represent different aspects of God’s love, and they are very real.

“The light brings more than just the experience of seeing a vision. Something happens in the heart of people who truly experience the Light of God.

“It transforms them. They are no longer the same.”

Sri Harold Klemp  
How the Inner Master Works,  
Mahanta Transcripts,  
Book 12, pages 125-126

6/7/15  
Discover the Way to God

“Love is the goal... of our spiritual search...

“The way to God is ever within the heart, within the loving heart.”

Sri Harold Klemp  
Wisdom of the Heart,  
page 25
