Loving What We Do

"The key to catching truth is loving what we do, no matter how humble. 'Loving' means to become absorbed in chores, duties, recreations, interests, and ECK contemplations.

"When you lose yourself in an activity, a light contemplative state can result. Understandings often come to the fore.

"The key to catching truth, again, is simply to love what we do. That's the best guidance for any truth seeker."

– Harold Klemp

Your Actions Create Your Experience

"The greater you become in your state of consciousness, the quicker your acts come back to you. In the Bible,

St. Paul spoke of this Law of Karma when he said, 'Whatsoever a man soweth, that shall he also reap.'"

How to Best Move Through the Purification of Soul

"Life is a stream of happy and unhappy experiences, because that leads to Soul's purification. How do you get by in the dark times? Try to give love to someone."

Walking the Path of ECK

"Eckankar is not the intellectual path where we sit around and make more and more plans. It is the path of doing—the path of personal experience. It's a marriage of plans with action."

– Harold Klemp
